EXAMINER INTERVIEW SUMMARY

February 11, 2009

TO THE COMMISSIONER FOR PATENTS:

On February 2, 2009, applicants' attorney, Rhys Lawson, called the Examiner to discuss the Office Actions mailed on December 15, 2008 and January 14, 2009. The January action supplemented the prior art rejections set forth in the December action. Applicants' attorney inquired as to whether the January action supplants the December action, which the Examiner answered in the affirmative. Applicants' attorney then confirmed that the shortened statutory period for the outstanding Action runs from the January action. The Examiner agreed.

If the Examiner believes that the shortened statutory period does not run from the January action, but instead runs from the December action, he is asked to immediately telephone applicants' attorney at 206.695.1698.

Applicants' attorney thanks the Examiner for his time and attention to this application.

Respectfully submitted,

CHRISTENSEN O'CONNOR
